Any on-site sewage system designer or professional engineer who is licensed by the State of Washington may design on-site sewage systems in Spokane County. This list is provided for your convenience only, and consists of individuals and companies that have requested inclusion on the list. Spokane Regional Health District (SRHD) does not endorse, recommend, or warrant the work of any designer or engineer. SRHD does not license on-site sewage system designers or engineers, and does not verify license status on a continuous basis. To check the license status of a designer or engineer, visit the Washington State Department of Licensing website at <https://fortress.wa.gov/dol/dolprod/bpdlicensequery/>.
