

Spokane Regional Health District’s Food Advisory Committee is a cooperative effort between the Health District’s Food Safety program and the local food industry. The committee assists in the development of educational materials and class instruction programs and gives input on food safety program policies, procedures, regulations and fees.

The Food Advisory Committee currently has the following vacant positions. Please indicate the position that you are applying for:

- Food Service Industry (must work in Spokane County)
- Higher Education Institution (must work in Spokane County)
- School District Food Program (must work in Spokane County)
- Consumer (must live in Spokane County)

This is a voluntary position. Committee members must be willing to serve a two-year term and be able to attend formal meetings on the first Wednesday of February, June and November. In addition, members must be able to attend a special member election meeting each January. If you are interested in becoming a committee member, please return this application to:
