

Spokane County Testing Locations

If you do not have a primary care provider or are currently without insurance, there are low- and no-cost COVID-19 testing services available in Spokane County (see table below). Each clinic has different screening procedures and payment options, so it is recommended that you call ahead. To see additional testing clinic locations, please visit srhd.org/covid19screening.

*Schedule your appointment at www.riteaid.com/pharmacy/services/covid-19-testing. For individuals 18 and older only.

WHO SHOULD GET TESTED FOR COVID-19?

Spokane Regional Health District assures nondiscrimination in accordance with Title VI of the Civil Rights Act of 1964 and the Americans with Disabilities Act. For more information, visit www.srhd.org. For more information, or to request reasonable accommodations or language translations or to file a complaint, contact 509.324.1501 (TDD 509.324.1464).

Communicable Disease, Infection Prevention, Immunization Assessment Program
1101 W. College Ave., Spokane, WA 99201 | 509.324.1611 | TDD 509.324.1464 | srhd.org

According to the Centers for Disease Control and Prevention, the following people should get tested for COVID-19:

- People who have symptoms of COVID-19
- People who have had close contact (within 6 feet of an infected person for at least 15 minutes) with someone with confirmed COVID-19
- People who have been asked or referred to get testing by their healthcare provider, local or state health department

Not everyone needs to be tested. If you do get tested, you should self-quarantine/isolate at home pending test results and follow the advice of your healthcare provider or a public health professional.

HOW ARE YOU DOING?

Many people are feeling anxiety and fear about the COVID-19 pandemic and how it affects them, their loved ones and their community. If you or someone you know is feeling overwhelmed with emotions like sadness, depression or anxiety, help is available. For additional resources, visit srhd.org/covid-19-coping.
